POSTAL REGULATORY
COMMISSION
U.S. DEPARTMENT OF COMMERCE

Gentlemen and Women:

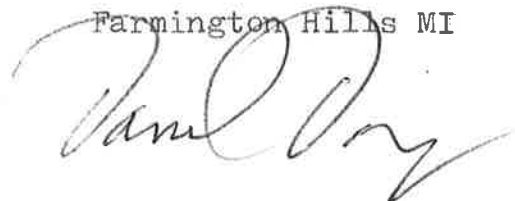

This is an URGENT request. The USPS has been nearly destroyed by Mr. Dejoy. Please replace him ASAP. His attempt to privatize this service will be destructive for our nation as many elderly and poor people rely on prompt delivery of essential goods and medicine. This was never meant to be a profit making service and it is mandated in the US constitution. I hope this letter gets to you as I have noticed a significant decline in service since Mr Dejoy assumed office...I am still missing several significant letters sent last Christmas. Lets not have a repeat of that fiasco.

Please send Mr. Dejoy packing and replace him with someone who respects the USPS and respects his workers. I am not an employee of USPS.

Sincerely

Daniel Deary
